All those years, all those miles, all those stories, all those songs, all those sights, all those sounds, all those dreams...

all those sons, one of them is going to be a star.

1981

IN MEMORY

Stars, I have seen them fall but when they drop and die, No star is lost at all.

Each one of us is an individual, with our own personalities, But, it is only together that we are the Class of 1981. And whether it is yesterday, today, or tomorrow John was, is, and always will be a part of us, a part of the Class of 1981.

With our greatest respect, To the memory of our classmate.

JOHN ROSELLE

FAREWELL DR. JOHNSON

This year our principal Dr. Kenneth L. Johnson left Middleboro High School to join the Southbridge Public Schools as their superintendent. We would like to wish him the best of luck and to thank him for his years of dedication and service at M.H.S.

In the matter of personal relations, one encounters extreme difficulty rendering appropriately the emotion and the gratitude one feels on departure from a long-standing association.

I freely submit my appraisal of the students of Middleborough High School: they are second to none. Over the years, I have witnessed increasingly pupil pride in the on-going task; reason outreaching wrath is social interplay; a growing concern for the school itself and for the quality function of the school: academic excellence: and, a commitment of the part of each student to mold resources into a viable whole, thus enabling a strong, personal contribution to society at large.

I have learned many things during my tenure at Middleborough High School, and I thank all of you for providing the most indelible ingredient of my fondest recollections: you, the student body.

Sincerely yours, Kenneth L. Johnson, D. Ed. Superintendent of Schools

Kenneth L. Jonson, D. Ed.

WELCOME MR. WASSEL

Joing Middleboro High School as its new principal is Mr. William S. Wassel. The class of 1981 would like to wish him a warm welcome and the best of luck in the coming years.

To the Class of 1981:

As you reflect on the years you have spent at M.H.S., I hope that you will be able to feel that they had a positive influence in preparing you for the years to come. Remember always that your future belongs solely to you. Our very able staff has worked hard with you over the last four years in the sincere hope that they have helped you realize your individual worth and your future potential.

Although I only shared a small part of your high school years with you, I will always be grateful to you for so readily accepting me into your school family.

Congratulations and may you find happiness and bring credit to your family, your school and your community.

Sincerely, William S. Wassel Principal

OPPORTUNITY

They do me wrong who say I come no more. When once I knock and fail to find you in: For every day I stand outside your door, And bid you wake, and rise to fight and win.

Wail not for precious chances passed away! Weep not for golden ages on the wane. Each night 1 burn the records of the day, At sunrise every soul is born again.

Though deep in mire, wring not your hands and weep; I lend my arm to, all who say, "I can!"
No shame face outcast ever sank so deep,
But yet might rise and be again a man!

BOY'S SOCCER

The 1980 M.H.S. soccer team had a tough rebuilding season. Although the offense struggled, the Sachem defense, led by Captain Dave Perkins and veteran Tim Pasquerello, was known around the league as one of the hardest to penetrate. Because of the amount of underclassmen involved, the future looks brighter for M.H.S. soc-

WRESTLING

This years' wrestling team started on the right foot, and had a very impressive season. This was demonstrated by the 4th place out of 9 teams at the Norwell Invitational Tourney. Capturing first in the heavyweight class was Mike Hatch, while second place finishers were Bob Hatch (167 lb. class) and Rick Leo (121 lb. class) Danny Duggan placed 3rd in the (107 lb. class). Squad members are anxiously looking forward to competing in the sectional and state tourneys. A special word of thanks to this year's fans for their overwhelming support and to Coach Rod Berry for his dedication which has made the sport a success at M.H.S.

May the obstacles you encounter cause you to excel in your endeavors.
